GOLFERS OF THE HOUSE DEFEAT THE SENATORS

Latter Take Downfall on Country Club Links Good-Naturedly.

Dellare It Was About the Only Opportunity Boys of the South End Got to "Put It Over" Them.

Golfers of the House of Representa thes easily defeated the experts of that game from the Senate yesterday afteroon on the links of the Columbia Country Club, to which most of the congresnal contingent of golfers belong. The defeat was, in fact, a disaster for the Senate, the champions of which had ex-pected at least, an even break. Even the officials of the club looked for a nore even match and were surprised at

It wa plainly an off day with the dis tinguished statesmen from the north end of the Capitol. They took their defeat good-nauredly, however, asserting that was about the only opportunity the louse ever got to "put it over"

Out of a to tal jossible 30 points, the representative scoed 25 and the senators none. Senato Hithcock made a better medal score tha Representative Treadway, but that didnot aid him in Nassau play.

Senate Hopefuls "Off Game."

senator Saulsbury of Delaware had ben picked as the best of the Senate glfers, and he was pitted against Reprsentative Oglesby, who is the "crack o the House, and was captain of th louse team. Mr. Oglesby won each hal nd the match, making a medal score of 6, against '92' for Senator Saulsbury, matter Hollis of New Hampshire had seen expected to defeat Representative dillett of Massachusetts, but the senator was "off" his game, being easily defected.

Senator Cummins of Iowa, usually playing below 60 on the Columbia course, took 101, against 35 for Representative Townsend of New Jersey, the score being about the worst the Iowa senator ever turned in on that course.

Former Senator Bourne of Oregon was

another hopeful in the Senate ranks, but he was easily defeated by Representative Whaley of South Carolina. Senator O'Gorman and Representative Fitzgerald of New York attracted much interest in their bout. Senator O'Gorman introduced the chairman of the House committee on appropriations to the game, and the pupil beat the tutor, neither, however, playing up to form.

OUIMET IS BEATEN BY A BOY GOLFER

American Open Champion Plays in Poor Form on the Sandwich Greens.

SANDWICH, England, May 20,-Only at ateur golf championship after the con-clusion of the third round today. These were Charles W. Evans, jr., of Chicago and Harold Weber of Toledo. Several of the most prominent English

Solfers were still in the competition, in-cluding Harold H. Hilton, the title holder. Francis Onimet, open golf champion of the United States, was eliminated as a contender today. He was defeated with apparent ease by "Young" Tubbs, a boy player from a nearby course at Little-stone-on-Sea.

stone-on-Sea.

There was a huge crowd of so-cetators on band for the Ouimet-Tubos match, including, of course, a large delegation of Americans. The enthusiasm of the American gallery was soon sharply cooled by the way in which Tubbs handled their favorite, Ouimet got into difficulties on the fourth hole, taking seven strokes, while Tubbs made it in a clean four. The Englishman was never in danger thereafter, although Ouimet made a sensational three to his five on the eighth hole and fought desperately all the way in. At the turn Ouimet was one down, and Tubbs fluished the round with 2 up.

Defeat Created Sensation.

The defeat of the young American oper

champion proved as great a sensation as had that of Jerome D. Travers, American amateur champion. It had been thought that Ouimet would have no difficulty in

that Ouimet would have no difficulty in disposing of the comparatively unknown and youthful Tubbs, who is a steady golfer, but never heretofore had succeeded in reaching anything like championship form.

On the links reports were current today that a wager of \$150,000 to \$50,000 had been offered Monday against either Travers or Ouimet carrying off the championship, and had been eagerly taken by someone who favored the American chances. Colorado Representatives Want U. S. ne who favored the American chances. After his defeat Ouimet was the first to congratulate his opponent. As soon as the last stroke had been played the American shook the Englishman's band with great cordiality. Ouimet's weakness situation in Colorado is in sight and

with great cordiality. Ouinnet's weakness on the green proved his undoing in today's match. On several occasions he was short of the hole, and he also occasionally overran it. Sometimes he missed easy putts. At the last hole he failed to get down a three-foot putt.

The Englishman started badly by slicing his tee shot, but by good play on the green succeeded in halving the hole. The second hole Ouimet bunkered, but made a good recovery. The American was again saw Secretary Garrison on the same subject.

heartened by this secured the eighth.
Tubbs thus led at the turn by one.

Cool at Critical Stage.

Of the next five holes Onimet was able to secure only one and halve two, and at the fourteenth was three down with four to play. He showed remarkable coolness at the critical stage. He halved the fifteenth, and playing a fine tee shot won the sixteenth. At the seventeenth Onlimet was on the green in two, lipped the hole for four and went down in five. Tubbs

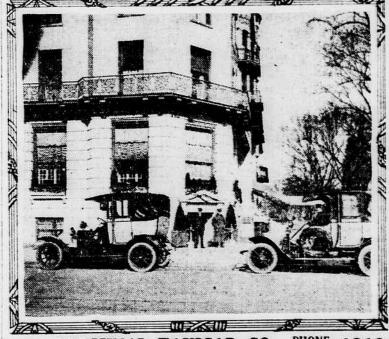

was nervous and could not do better than six.

With the chance of making all square at the eighteenth Ouimet got into the rough and Tubbs scored the hole and the victory. Ouimet's grit at the end of the match when it looked as though, after a series of misfortanes, he might froce the playing of an extra hole, evoked warm annuals from the griders. applause from the gallery.

The defeat of (tuling) cast a gloom over the American contingent, but the cloud was partially dispersed shortly afterward by the brilliant rictories of Frederick Herreshoff, New York, and Harold Weber. Toledo. Heireshoff beat J. R. Platt of the Royal North Deven Club by 4 up and 5 to play. Weber beat K. M. Carlisle of Sunningdate by 7 up and 6 to play.
